The exhibit opens Saturday, July 10th at 9:00 A.M., and runs through Tuesday, July 13th at 3:00 P.M. Don't miss it!

POSTER SESSION

GPO will participate in the ALA Poster session in Philadelphia. The presentation entitled, "Your Source for Government Information: The Depository Libraries", is scheduled for Monday, July 12th, from 2:00 P.M. to 4:00 P.M. We will be at poster session location number 16, at the south end of Exhibition Hall B in the Philadelphia Civic Center. Please stop by for an informal discussion of the Library Program.

MONOGRAPHIC SERIES CATALOGING

When GPO became the authority for cataloging monographic Federal documents, we also assumed the responsibility of establishing monographic series. In addition, GPO agreed to create serial entries for numbered monographic series. We began this in 1981 and it was reflected in a new section of the 1981 Serials Supplement. (Unfortunately, a systems error caused them to print under the heading CONGRESS!) The section is arranged by title, as not all series are assigned an individual SuDoc number.

The 1982 Serials Supplement will include additional series entries and additional entries will be added with each succeeding Serials Supplement. Entries will be retained from year to year, unless a series is discontinued.

1982 SERIALS SUPPLEMENT

There has been a delay in the issuance of the 1982 Serials Supplement due to a serious software problem. That problem has now been solved and we will be issuing this publication as soon as possible.
